Subject: Public Records Request - Presidential Preference PRR

Importance: High

Hi there –

I hope you are well.

Under the state's public records law, I seek any and all public documents pertaining to the drafting of a resolution that would affect the presidential preference election in 2020.

This request includes any and all communication from the Arizona Republican Party and/or surrogates, including but not limited to Kelli Ward, Zachery Henry, Leslie White, Shiale Gorman and any attorney representing the state party.

This request for information includes documents reflecting resolutions, measures and/or any other legislative effort.

Thank you for your prompt attention to this public-records request.

Yvonne.

REPUBLICAN PARTY

★ ★ ★ ★ ★

OF ARIZONA

Dear Arizona Republican Legislators,

In 1996 and 2012 the Arizona Democratic Party opted out of our State's Presidential Preference Election. In 2004 the Arizona Republican Party did the same. In each instance the party was supporting an incumbent President running for election. The Arizona Republican Party is considering opting out of the PPE in 2020. While we have not committed to this choice we need the Arizona Legislature to confirm that parties, in this case the Arizona Republican Party, may retain the choice to opt in or opt out of the PPE.

To that end, on Tuesday, April 23, members of the Executive Committee of the Republican Party of Arizona voted overwhelmingly to approve the below resolution that will allow a political party to determine whether or not it will participate in the presidential preference primary in 2020:

WHEREAS, the central mission of a political party is to rally individuals sharing a common political philosophy to a common cause; and

WHEREAS, the embodiment of that common cause is to nominate individuals for elected office; and

WHEREAS, our right to Freedom of Association under the Constitution of the United States reserves to political parties the right to govern themselves;

WHEREAS, both the Republican Party of Arizona in 2004 and the Arizona Democratic Party in 2012 freely chose to opt out of the Presidential Preference Election conducted by the State of Arizona and that choice was respected by the State;

WHEREAS, both the Republican Party of Arizona in 2004 and the Arizona Democratic Party in 2012 put forth their nominee for the Presidency of the United States as identified pursuant to the bylaws of each Party and that choice was respected by the State;

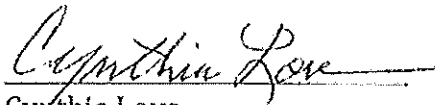

NOW THEREFORE, the Republican Party of Arizona calls upon the State of Arizona to respect the right of a Recognized Political Party to opt out of the Presidential Preference Election and allow Recognized Political Parties to select a nominee for the Presidency pursuant to their bylaws.

FURTHER, the Chairman of the Republican Party of Arizona is directed to convey this Resolution to the Governor of Arizona and members of the Arizona Legislature upon its passage.

APPROVED by the EXECUTIVE COMMITTEE of the Republican Party of Arizona on April 23, 2019.
